Mujahid Zareen

SQA Engineer — Manual & Performance Testing Specialist

+92 311 8846967 Mujahidawan290@gmail.com Lahore, Pakistan
in/mujahid-zareen

Profile

Detail-oriented SQA Engineer with a strong foundation in Software Engineering and a developer's perspective on quality. Proficient in the Software Testing Life Cycle (STLC) and SDLC methodologies. Expert in Manual and Performance Testing, defect management using Jira, and ensuring high-quality releases for international fintech, e-commerce, and music industry platforms. Experienced in identifying complex edge cases across Dev and UAT environments.

Areas of Expertise

Manual Testing - Performance Testing (JMeter) - STLC/SDLC - Jira Defect Tracking - Regression Testing - Functional Testing - UI/UX Validation - Load, Stress, Spike & Soak Testing - Bug Reporting - API Testing (Postman) - WordPress Testing

Professional Experience

SQA Engineer — **Lahore, Pakistan**
(Tkxel) — *01/01/2026 - 06/06/2026*

- **Performance Testing:** Conducted Load, Stress, Spike, and Soak testing using **Apache JMeter** for industrial e-commerce platforms: Industrial World 360 and Industrials Unlimited.
- Implemented Data-Driven testing methodologies using CSV datasets to simulate large-scale concurrent user behavior and complex search scenarios.
- **Finafy (Fintech - dev.finafy.ae):** Managed Functional and Regression testing across Dev and UAT environments, ensuring zero-defect leakage for critical financial modules.
- **ASAP CMS (asapsemi.com):** Performed rigorous UI/UX and Functional audits in the Dev environment to validate dynamic CMS builder stability.
- Managed the end-to-end Bug Life Cycle in Jira, authoring detailed Test Plans and documenting reproducible bug reports with technical logs and performance metrics.

Client Relation Analyst (CRA) — **Islamabad, Pakistan**
(Duseca Software & Infiniti) — *10/2024 - 12/2025*

- Handled technical requirement gathering and communication with international clients from USA, UK, and Europe.
- Collaborated with internal engineering teams to ensure timely delivery of customized solutions and performed initial UAT checks.

WordPress Designer / Developer — **Mirpur, AJK**
(S. Software/Ecomesteam) — *08/2023 - 07/2024*

- Designed visually appealing and responsive websites using Elementor and WP Bakery.
- Performed cross-browser testing and UI validation to ensure high-quality front-end performance.

Certifications

- **Managing Agile Scrum projects with JIRA** – 10Pearls University (Feb. 2026)
- **Introduction to API Testing with Postman** – 10Pearls University (Feb. 2026)
- **QA Fundamentals** – 10Pearls University (Jan. 2026)
- **Innovative Ideas Winner (Engineering Category)** – Pakistan Nuclear Society
- **Front-end Developer Certification** – Coursera
- **Web Developer Certification** – Moboroid Software House

Education

BSc Software Engineering **2020 – 2024**
Mirpur University of Science and Technology (MUST) *AJK, Pakistan*

- **Relevant Courses:** Software Quality Assurance, SDLC, Database Systems, Web Engineering, Software Project Management.
